**To:** Carchman, Loreen; King, Valerie A.
**Subject:** FW: covance 17
**DSS:**

Should this be identified as further background for the need to have clearer roles/decision authority further defined...if Earl can't get his comments to Mary in time for our meeting then even more time is getting added on the turnaround for this agreement....

Bristow,
Update: I took Earl through this yesterday during our weekly contract meeting and am awaiting his comments. Am hoping to receive them prior to our meeting today.

Regards,
Mary Platteter
